COMPANY PROFILE

Having a vast experience in whole spices and food industry the promoter decided to form Taste and Tadka private limited to launch ground spices with the motive to make this company one of the leading manufacture of spices in India.

OUR MISSION

Our mission is to offer a wide range of spices with our primary motive to procure top quality raw material and provide best quality ground spices with absolutely delightful taste. Our focus is to spread our wings all over India and make our spices remembered to every citizen of India through its taste.

OUR PASSION

Manufacturing spices is not just a business but it is our passion to 'spread smile' to our customer, by delightful taste. For us, the products that reach the market are not merely our product line, but also our way to bring something we love into our customer's kitchen.
